Elden Ring [32|64bit]

Developed by Carpe Fulgur Published by Averatec Arcade Style Game Action RPG + Tower Defense Game From the official site TL;DR Features - An Epic Drama Born from a Myth Story The Lands Between is comprised of an infinite number of worlds, which are connected through the Lands Between and are governed by the Twelve Nations. Tarnished in the Lands Between, You Shall Become An Elden Lord. Within the Horizons of the Lands Between, You Will Encounter All-New Characters, Dungeons, Creatures, and Enemies. Unique Online Play that Loosely Connects You to Others You can directly connect with other players to play a story where two old allies and enemies of the Kingdom of Elden join together to travel on an odyssey of adventure. A Multipurpose and Accessible Content Creation System A New RPG Made to Easily Create Content and Play With Others. Create Content Easy as 1-2-3 Build your own worlds (Card Library System). Play with Others (Card Browser System) Real World Explanation The Lands Between is formed by the Twelve Nations that surround the Kingdom of Elden. Each Nation is connected through the Lands Between and is controlled by an individual ruler. In the Lands Between, You Will Encounter All-New Characters, Dungeons, Creatures, and Enemies. You can freely customize your character's equipment. Combining equipment will increase the equipment's attributes, which is important for both offensive and defensive operations. You can directly connect with other players to play a story where two old allies and enemies of the Kingdom of Elden join together to travel on an odyssey of adventure. You can freely create content, which can be used in the multiplayer and offline modes. You can use your created content in the online mode where you can feel the presence of others. You can use your created content in the offline mode for use in your replay or building your own world. You can use your content even in the offline mode where you can play by yourself. What's new Here you go, the rundown of updates for this. As you can see, there are some small additions, but none of them very substantial. They have some new details, special mounts, and a few new enemies, but I haven't really

What's new:

A free beta is now in progress for OS X. If you plan to participate, please visit >

Online play

Asynchronous online play

Online play is possible via random connection, as well as connection with friends. Asynchronous online play is possible for two or three players, depending on the activity in the area. Items cannot be directly shared between players. (If you want to share items, you must achieve this by using a site such as >

In-game calendar

Feeling constrained by your working week? That doesn't matter, ever again! The in-game calendar allows you to enjoy your days free of any restrictions. You can check the following periods:

- The period from Monday to Friday - The period from Friday to Sunday, as well as Monday to Wednesday and Thursday and Sunday and Sunday and Wednesday, if you want - The period from Monday to Sunday - From time to time Experience your days to the fullest. Pair with your new dreams and make dreams come true.

Endless levels

The mythical world with an unimaginable scale lies before you in the Lands Between. Pursue your passion to save the world and forge a new legend—your own path to salvation!

Free to play!

Free to play! In addition to other content, such as items, money, and energy, you will be able to select your favorite character and weapons to develop your own character style, such as muscle strength, magic use, and skills.

The amount of material in the game is less than that of a title such as Odin Sphere, but will provide the thrills of console RPG games. Even if you have completed the main story, the game's variety of scenarios means that there will be content for you to enjoy in the future.
